In the last Glacial Age, those who lived in the Iberian Peninsula carried their dead to the western-most point in Europe - Finisterre, "the end of the world," where the sun sets over the Atlantic. Even after glaciers retreated and people moved north of the Pyrenees, they continued this trek with their dead. Later it became a primary Christian pilgrimage destination, the *Camino de Santiago de Compostela*. Like hundreds of thousands of other people, Pr. Lou and Marilyn Clark walked this road. They'll share their experiences and pictures in the chapel today after worship.

Today we recognize/thank our Stephen Ministers, installing two new leaders: Charles Baars and Deb Black, who recently completed leadership training. They join Ruth Sarna and Karen Hunt as Stephen Ministry leaders. See insert for more details. A training session for Stephen Ministers is planned for fall. See Ruth Sarna, 842-0230, rsarna@sunflower.com or Karen Hunt, 840-9930.
